March 2024

From your Directors...

On February 11th, thirty-six CCCA/Packard Club members and guests enjoyed a tour to the Multnomah Falls Lodge for a terrific brunch. Although we did miss the cinnamon roll French toast this year! The weather cooperated and Robert Douglas led us on a tour to the lodge on the Old Columbia River Highway. We have been doing this event for the past 15 or more years, and it is always well attended.

Is it really March already?! Our next regular meeting is **THIS Thursday, March 7th** at Ernesto's Italian Restaurant, 8544 S.W. Apple Way, Portland, Oregon 97225. Dinner will start at 6:00 pm followed by our meeting at 7:00 pm.

Tamera Krajeski has come through with a video on an Amazon Fulfillment Center for our program! It should give us a great look at how Amazon operates and fills millions of orders every day.

Also, many of you have hobbies and interests outside of automobiles. Please consider making a presentation at one of our monthly meetings.

Event Details and Club Info

Our next event is a carburetor Tech Session led by those *Kings of Carburation*, Bob Earls and Larry Cox. We'll meet at Howard's garage on Saturday **March 16th**. The presentation starts at 10:00 am, and lunch will be provided!

You can see all of our 2024 activities at packardsoforegon.net & oregoncca.com

Our annual overnight spring tour, arranged by Robert Douglas and Bob Earls, will be to the Oregon Coast on April 20th and 21st. Highlights will include a visit to the Tillamook Air Museum and, of course, we gotta do the cheese factory even if it's just to get a great grilled cheese sandwich! A flyer has gone out. Please make your hotel reservations ASAP!!

And one more thing....if you would like pictures of your car(s) posted on our websites, send them to Joe Munsch - jmunsch@slvsoft.com
