

BRAKE CABLES

NEWS FROM THE OREGON REGION OF CCCA

DIRECTOR'S MESSAGE

On February 11th, about 40 members and guests toured to Multnomah Falls for our annual Valentine's Day brunch. The weather was good and the food terrific. I was surprised the surrounding landscape looked as good as it did, after the Eagle Creek fire. Thanks to Rodger Eddy for organizing the tour and Mary Jabs for table arrangements. Photos can be viewed on our website, thanks to the efforts of George Potter.

We need a program volunteers for our monthly meetings. If we have interesting programs we will have better attendance and a more vibrant club, so please think of a topic you can present to the club. It doesn't need to be car related. As long as it is interesting, your program will be appreciated. Please see me with your ideas.

Our March tour to a car collection in Cornelius on March 24th has been postponed. Matt Hackney will reschedule when the collection is again available for viewing.

April is swap meet month. PIR Swap Meet is April 5-7, and the EXPO Swap Meet is April 6-8. Both are good places to buy and sell cars and parts.

SAVE THE DATE. Dennis Gilman has organized a terrific overnight tour to the Mid-Willamette Valley, May 5th and 6th, which will include a buffet dinner at Jerry Szerlip and B.J. Bennett's home. We will have a special blast out soon with the details.

Daylight Savings begins on midnight, March 11th.

I hope to see you at the March meeting.

March, 2018—Bill Jabs, Director

CCA Passport Driving Program

(REVISED)

This new Driving Program is about the joy of
owning a Classic Car and the true thrill of taking
the wheel to use them as they were originally
attended – for motoring. Mileage Car Badges
are awarded based on the miles that you drive
your full classic. The first badge comes at 1,000
miles, additional badges are awarded as you
achieve higher mileage. To register your cars
the odometer reading must be verified, and a
registration form filled out and mailed to CCCA
with a fee of \$25 per car. This is a good program
to promote driving our cars. Now is a good time
to get registered for 2017. As a national director,
Howard Freedman and certify your mileage.
