NEWS FROM THE OREGON REGION OF CCCA

DIRECTOR'S MESSAGE

Twenty one members attended our October 2nd Member's Meeting at O'Connor's. Several members reported on how much **'FUN, FUN, FUN,'** that they had on "Howards Tour." Complete coverage of the tour is in the Fall "Hood Release." Bob Douglas and Matt Hackney gave details on the upcoming three day Packard Club Pumpkin Tour to the Dalles / Hood River area with a trip to the Air Museum. Upcoming events were discussed including, the date change for the 2015 Events and Tour Planning Meeting which will be on October 15th (Details on right.)

Getting to know Chris Cataldo was a worldly experience. At one point in his life, Chris had lived in the United States, Europe and Japan for 14 years each. He told of working in Europe, selling encyclopedias in the United States, converting manuals and other printed materials from Japanese to English, and meeting and marrying his wife in Japan, and now selling and investing in real estate in the U.S. He told of his lifelong interest in cars, and cars he has owned in his quest to have 1 car for each week day.
