

BRAKE CABLES

NEWS FROM THE OREGON REGION OF CCCA

DIRECTOR'S MESSAGE

Wow, what happened to April? With farming, cars and a few other things, I am behind on my correspondence.

This is going to be a busy month, with our Gilman tour, May 5th and 6th, Portland Transmission Car Show on May 12th and our second annual Ladies Tea on May 19th.

DON'T FORGET MOTHER'S DAY GUYS (MAY 13TH)!

If you have not signed up for the overnight Gilman tour to the mid-Willamette Valley, contact me, and I will see if there is space and a room available.

We mailed out announcements on the Ladies Tea, and will have a signup at the meeting this week. If you are planning on attending, please contact Mary Jabs at maryandj@outlook.com or call her at (503)290-8524.

We still need volunteers for monthly programs. Remember, this need not be car related, just a topic that would be of interest to our group. This month we will have some interesting videos and hopefully photos of a trip Howard, George and I made to Eureka, California to an automobile art collection.

I hope to see you at our regular meeting, May 3rd at O'Connor's.

May, 2018—Bill Jabs, Director

CCCA Passport Driving Program

(REVISED)

This new Driving Program is about the joy of
owning a Classic Car and the true thrill of taking
the wheel to use them as they were originally
attended – for motoring. Mileage Car Badges
are awarded based on the miles that you drive
your full classic. The first badge comes at 1,000
miles, additional badges are awarded as you
achieve higher mileage. To register your cars
the odometer reading must be verified, and a
registration form filled out and mailed to CCCA
with a fee of \$25 per car. This is a good program
to promote driving our cars. Now is a good time
to get registered for 2017. As a national director,
Howard Freedman and certify your mileage.
