

BRAKE CABLES

NEWS FROM THE OREGON REGION OF CCCA

DIRECTOR'S MESSAGE

Unfortunately the COVID pandemic has not subsided enough to continue meetings and events. Most of the car clubs I am aware of have cancelled all events for the balance of 2020. According to our governor, the new date to reassess social activities and group gatherings is November 5th. We are in a "wait and see" mode, but it is unlikely that we will hold our Halloween party, annual meeting or Holiday pot luck dinner. I will be getting your Board of Managers together soon to see what activities we might engage in. Since most of us are not computer wizards, it is doubtful that a zoom meeting would be well attended.

On August 15th, six CCCA and Packard Club members showed their cars at the Assumption Village Retirement Center in north Portland. The weather was pretty warm, but the response was great. Thanks to all that participated.

There is one upcoming event, if you are a PNW Region CCCA member. On September 26th, Bernie and Denny Dochnahl are hosting a "car related gathering" in Renton, Washington. The Dochnahl's were on our 2012 Oregon Tour and have shown at Forest Grove many times. It would be great if some Oregon Region members could attend the event. Contact Howard Freedman if you are interested. More information is posted on page 2.

The Pacific Northwest Packard Club is hosting a mini tour, September 13-18 to Walla Walla, Wa. Contact John Imlay if you are interested in attending.

There is not much news to report.

Let's hope for a COVID vaccine soon, so we can get our lives back to normal.

September, 2020—Bill Jabs, Director
