August 2022

From your Directors...

After a two-year COVID induced hiatus, the Forest Grove Concours had a very successful return on Sunday, July 17th. Our very own David Charvet MC'd the event and did a fantastic job! He was entertaining and informative without the excessive rambling we've become used to over the last several years. The weather was perfect, and thanks to Dave, the awards wrapped up just after 3PM. And just to ice the cake, Dave was this year's winner of the Larry Douroux Award from the Packard Club for his continuing contributions to our clubs and the hobby overall. Congrats Dave!

2022 Best in Show – 1935 Mercedes 500K

Our next regular meeting will be this Thursday, August 4th, at Ernesto's Italian Restaurant, 8544 S.W. Apple Way, Portland, Or 97225. Dinner at 6:00 pm and meeting starts at 7:00 pm.

Paul and Sharon Lawson will be presenting their program, "Our Heavy Weight Hobby". You'll have to attend to find out what they are talking about!

And yet another reminder, please do your part to help our Editor, Dave Charvet, by sending content for the Hood Release and Oregon Clipper. Pictures, stories, projects – anything helps enrich our publications.

THE GREAT OREGON STEAM-UP

Another event worth attending is the Antique Powerland Steam Up, in Brooks, Oregon, **August 6th and 7th**. This is like attending an old fashion county fair, minus the animals, but hundreds of antique tractors, hit and miss engines, a steam sawmill and over a dozen museums. The Northwest Vintage Car and Motorcycle Museum will also be open and is worth the visit.

If you're going on the September Tour to northern California (September 10-18), it's time to get your car serviced and ready. Contact Howard Freedman if you have questions about the trip.

August 28th - Lake Oswego Collector Car & Classic Boat Show

Registration for Lake Oswego's 2022 Collector Car & Classic Boat Show has been open for weeks! The vehicle display area at George Rogers Park is limited, so **sign up your car now** to secure your place on **August 28th** at this outstanding community event attended by enthusiasts from throughout the region. What started out as a handful of classic cars on display in Millennium Plaza has expanded to become a major annual community event with nearly 300 cars and 30 boats on display in downtown Lake Oswego.

The show is exceptional because it's not a strictly judged show but rather a fun and unique event for families and enthusiasts. Proceeds benefit the Oswego Heritage Council, which is Lake Oswego's Museum dedicated to the preservation of our city's local history. The show also supports OHC community events and educational programs.

Click on the link below to register your car - display space goes fast so do it soon to be part of this year's 21st Anniversary Collector Car Show.
