

BRAKE CABLES

NEWS FROM THE OREGON REGION OF CCCA

DIRECTOR'S MESSAGE

REMEMBER: Our monthly meeting this month will be on February 6th at **Buster's BBQ** on Hwy 99 (close to I-5) in Tigard. We are going back to our original schedule of meeting around 6:00 pm for dinner, with our meeting starting at 7:00 pm. This is a trial run for Buster's, so please attend and give us your thoughts.

Our **VALENTINE'S DAY BRUNCH** is Sunday, February 16th. We have 31 people signed up, so if you want to attend, contact Howard Freedman. The cost is \$32.50 per person. Meet at Lewis and Clark State Park at 8:45 am, for an adventurous tour led by Rodger Eddy.

February 4th, Petite Corvette Rouge Concert. 2 pianos, 4 percussionists and cars. This concert is recommended by Bob and Frankie Douglas. Location: World of Speed, Wilsonville, OR. Reception at 6:00 pm and concert at 7:00 pm. \$15 pp advanced purchase and \$20 at the door.

MARCH GARAGE TOUR, Saturday, March 21st. Thanks to the efforts of John Imlay, David Charvet and others, we have a great tour planned for the day. The tour will include the World of Speed, Charvet Garage, including lunch, and the Yamhill County Museum. More information to follow.

Our tour committee (especially Sylvia Potter), has been working hard arranging hotels and fine tuning our September tour (September 12-20, 2020) to the San Juan Islands. We are limited to 20 rooms and are over booked, so if you want to get on the waiting list, contact Howard Freedman.

With tours and events starting this month, it is time to get your classic car tuned up and refreshed for the season. I will be bringing a great article on recommended crankcase oil to the February meeting.

CCCA Passport Driving Program

(REVISED)

This new Driving Program is about the joy of
owning a Classic Car and the true thrill of taking
the wheel to use them as they were originally
attended – for motoring. Mileage Car Badges
are awarded based on the miles that you drive
your full classic. The first badge comes at 1,000
miles, additional badges are awarded as you
achieve higher mileage. To register your cars
the odometer reading must be verified, and a
registration form filled out and mailed to CCCA
with a fee of \$25 per car. This is a good program
to promote driving our cars. Now is a good time
to get registered for 2017. As a national director,
Howard Freedman and certify your mileage.
