## NEWS FROM THE OREGON REGION OF CCCA

### DIRECTOR'S MESSAGE

Well, the New Year has arrived, but the COVID vaccine is late, so we are still in a holding pattern. Our February joint CCCA/Packard Club meeting is cancelled, but John Imlay is arranging for a ZOOM meeting, March 4<sup>th</sup> at 6:30 pm. This will be the first joint meeting of the Classic Car Club and the Packard Club. Your boards of directors are preparing an agenda, but if you have topics to discuss, please contact John Imlay or me. John will be sending out instructions to log on to the ZOOM meeting or call in. Unfortunately, our annual Valentine's Day brunch is also cancelled. We hope to be able to have an in person meeting in April.

We previously sent out an email concerning the loss of our long time member, Cliff Stranburg on January 16th. Cliff will be sorely missed by the Classic Car and Franklin Automobile communities.

The 2021 Portland Swap Meet and PIR Swap meet have been officially cancelled because of COVID.

We are working on a Sunday, March 21<sup>st</sup> tour to visit a large Salem car collection, never before seen by any of us. Depending on COVID restrictions, we will try to include a lunch, even if it's a box lunch in our cars at a park. More information to follow.

Larry and Tony Schick are working hard on the next edition of the Hood Release which will be out in the near future, with the feature being the Lincoln Automobile.

We are moving forward on our annual tour to the San Juan Islands, scheduled for September 11-18. Sylvia Potter is again making hotel and restaurant arrangements (thank you Sylvia). Since our 2020 tour was cancelled, your previous deposit will hold your place for this tour. If you have not received the tour itinerary and latest information contact Howard Freeman. Unfortunately, our tour quota is full, but if you want to be on our wait list, also contact Howard.

February, 2021—Bill Jabs, Director
