# 2022 HERE WE COME! (MASKS AND ALL)

**We hope you enjoy the new look of our Brake Cables newsletter!**

With the combining of our two club's activities and commensurate with the new year, we thought we'd update our look and add a little color. It's still a work in progress though, so let us know if you have some ideas on how we might continue to improve our communications to you!

We are VERY happy to report that David Charvet has graciously agreed to be our editor for both the Hood Release and the Oregon Clipper. David has experience in this department having held this position in the past. His expertise will certainly be a great asset to us. Our friend Joe Santana will handle the layout and printing set up. 1<sup>st</sup> and 3<sup>rd</sup> quarters, we'll produce a Clipper and 2<sup>nd</sup> and 4<sup>th</sup> a Hood Release. **THANK YOU VERY MUCH** to both of these gentlemen. Now.... YOU must do your part in supplying David with content!

**Our first regular meeting of 2022 will be this Thursday, February 3<sup>rd</sup>, at Ernesto's Italian Restaurant, 8544 S.W. Apple Way, Portland, Or 97225. Dinner at 6:00 pm and meeting starts at 7:00 pm.**

Our program will be a talk by Dale Matthews, owner of Memory Lane Motors. Dale just returned from the Arizona auctions and will give us his perspective on the antique and classic car market. You will not want to miss this meeting, as Dale is such an entertaining speaker. Remember, masks and vaccination are required.

Approximately 20 members with many antique and classic cars attended the memorial service honoring our beloved Rodger Eddy on Wednesday, January 26<sup>th</sup>, at the Aurora Community Cemetery. Along with his engaging personality, Rodger always planned a scenic route for our Valentine's Day Brunch as well as being on our tour committee for the past 20 years. And true to form to the very end, the road leading into the cemetery was gravel! We'll miss you Rodger.
