# From your Directors...

Thanks to Sylvia and George Potter, we had a fabulous overnight tour to the Eugene (Pleasant Hill) area on May 21<sup>st</sup> and 22<sup>nd</sup>. The weather was great and John and Margy Imlay (with their 39 Packard top down) led a group of about a dozen cars on back roads to the event. When we arrived in Pleasant Hill, we were met by George Potter and another 30 EEVAC cars who took us on a covered bridge tour followed by a scrumptious BBQ at a local park. Total group size was about 90 people. On Sunday, we toured to Joe Potter's Vintage Underground restoration shop followed by a tour of Alex and Amy Haugland's collection of mostly British cars. What a terrific weekend!

**Our next regular meeting will be this Thursday, June 2nd, at Ernesto's Italian Restaurant, 8544 S.W. Apple Way, Portland, Or 97225. Dinner at 6:00 pm and meeting starts at 7:00 pm.**

Bill Jabs will be doing a brief presentation on DIY powder coating at this month's meeting.

We really need volunteers for upcoming programs. The program need not be automobile related. Paul and Sharon Lawson have graciously agreed to do our program for July!

**2022 September Tour:** We are now "full up" for the annual "Howie" tour (September 10-18) to Northern California and the redwood forests. However, if you are interested in getting on the waitlist, please contact Howard Freedman via phone or email.
