

BRAKE CABLES

NEWS FROM THE OREGON REGION OF CCCA

DIRECTOR'S MESSAGE

Mary and I just returned from a three week trip to California and Arizona, and we encountered some pretty severe weather—rain, flooding, cold and snow. Winter is still hanging around. Weather postponed our Valentine's Day brunch to Multnomah Falls, but I understand that 34 people enjoyed the annual event.

Our February meeting was held at the Bomber Restaurant, and it was a unanimous decision to continue there for our monthly meetings. Our next meeting is March 7th, and Bob Earls will be the program presenter. **The meetings will now start at 6:00 pm rather than 6:30 pm, as the restaurant closes at 8:00 pm.** Larry Cox will be running the meeting, as I will be recovering from minor surgery.

March 16th, from 9-12 at Freedman's garage, Larry Cox will be holding a tech session on automobile electrical systems. If you have not seen this presentation, it is very educational.

Save the date, April 13th for a CCCA garage tour. We are firming up the venue. It will include a morning tour and lunch at a convenient restaurant.

George and Sylvia Potter are firming up plans for our May 4-5 overnight tour to the Eugene area. It will include tours of Joe Potters restoration shop, Alex and Amy Haugland's collection and a tour to the King Estate winery.

Our September tour to Coeur d'Alene, Idaho and north into Canada on the Selkirk Loop is in the planning stages. 24 people (cars) have already signed up and our limit is 20. We usually have cancellations, but for now, anyone wishing to go on the tour will be wait listed.

March, 2019—Bill Jabs, Director

More Members

If you know someone with a Classic Car or a keen interest in Classics, please introduce them to our club by encouraging them to come to an event or dinner meeting. Also, invite them to visit our website: www.oregonccca.com. Until we have a designated membership chairperson, please refer potential new members to Bill Jabs or Howard Freedman.

CCCA Passport Driving Program

(REVISED)

This new Driving Program is about the joy of owning a Classic Car and the true thrill of taking the wheel to use them as they were originally attended – for motoring. Mileage Car Badges are awarded based on the miles that you drive your full classic. The first badge comes at 1,000 miles, additional badges are awarded as you achieve higher mileage. To register your cars the odometer reading must be verified, and a registration form filled out and mailed to CCCA with a fee of \$25 per car. This is a good program to promote driving our cars. Now is a good time to get registered for 2017. As a national director, Howard Freedman and certify your mileage.
