

BRAKE CABLES

NEWS FROM THE OREGON REGION OF CCCA

DIRECTOR'S MESSAGE

Our April garage tour to Bob Ames home and garage was a huge success with nearly 40 people attending. Thank you Bob, for sharing your treasures.

Don't forget our monthly meeting this Thursday, May 2nd at the Bomber Restaurant—6:00 pm.

Our annual spring overnight Cinco de Mayo tour to the Eugene area, May 4th and 5th, is ready to go, thanks to George and Sylvia Potter. Bob Douglas will be leading the Portland area cars, leaving Banning's Restaurant on SW Pacific Highway at 9:00 am Saturday morning. The weather looks terrific and the itinerary will be one you will not forget.

May 11th is the Portland Transmission car show. If you have never attended, it is the "coming out party" for everyone's winter projects. Get there early (before 7:00 am) if you want a good parking spot.

May 16-19 is the Packard Western Regions tour to the Ashland area. More than 60 people have signed up!

Our **annual Ladies Tea** has been moved to May 25th due to conflicts and scheduling arrangements. Yes, it is Memorial Day weekend, but we couldn't get reservations any other time, and our ladies deserve their tea. A separate flyer has been sent with details. We will have a sign up at the May 2nd meeting, but please contact Howard Freedman if you plan on attending and will not be at the meeting. This event is free to Oregon Region lady members.

Our tour committee has pre-run the route and made final arrangements for our September tour to Coeur d'Alene, Idaho and north into Canada on the Selkirk Loop. Howard has sent two informational letters, so contact him if you did not receive yours. 24 people (cars) have signed up and our limit is 20. We usually have cancellations, but for now, anyone wishing to go on the tour will be wait listed.

CCCA Passport Driving Program

(REVISED)

This new Driving Program is about the joy of owning a Classic Car and the true thrill of taking the wheel to use them as they were originally attended – for motoring. Mileage Car Badges are awarded based on the miles that you drive your full classic. The first badge comes at 1,000 miles, additional badges are awarded as you achieve higher mileage. To register your cars the odometer reading must be verified, and a registration form filled out and mailed to CCCA with a fee of \$25 per car. This is a good program to promote driving our cars. Now is a good time to get registered for 2017. As a national director, Howard Freedman and certify your mileage.
