## NEWS FROM THE OREGON REGION OF CCCA

### **DIRECTOR'S MESSAGE**

Unfortunately, not much has happened since sending last month's Brake Cables, as we are still in a lock down mode.

I am sure everyone realizes there will be no May meeting and likely not a June meeting or Strawberry Social either. At this time, all meetings and functions are cancelled until further notice. In the meantime, stay home, stay healthy and get your cars ready to roll. Think positive—this pandemic will end and think of the fun we will have when we are able to get back together.

George Potter claims to have his new land yacht nearly finished and ready for its debut on our September tour (God willing).

In the meantime, lavender doesn't know there is a shutdown, so farming continues daily. We are hoping we can still have our lavender festival on June 20<sup>th</sup> and 21<sup>st</sup>, but that is probably wishful thinking.

Please welcome new CCCA member, Paul Duden. We look forward to hearing about his car(s) and car interest.

A big thanks to George and Sylvia Potter and John Imlay for taking the initiative to present past CCCA tours and continue our online CCCA/Packard Club chat line. Several people have contributed, so keep sending information of interest to John.

It is with sadness that I inform you of the passing of John O'Hara, a long-time member from Brookings, Oregon.

At the present time, our September 12-20 tour is still scheduled.

May 2020—Bill Jabs, Director

## **UPCOMING ACTIVITIES**

**AS A RESULT OF THE COVID-19 PANDEMIC, ALL CCCA ACTIVITIES ARE CANCELLED UNTIL FURTHER NOTICE.**

**If you wish to communicate with fellow club members, John Imlay will relay your message to both the Classic Car Club and Packard Club members. Just let us know what you are up to (including photos).**

## **More Members**

**If you know someone with a Classic Car or a keen interest in Classics, please introduce them to our club by encouraging them to come to an event or dinner meeting. Also, invite them to visit our website: [www.oregonccca.com](http://www.oregonccca.com). Until we have a designated membership chairperson,**

**Please refer potential new members to Bill Jabs or Howard Freedman.**

## **CCCA Passport Driving Program**

**(REVISED)**

**This Driving Program is about the joy of owning a Classic Car and the true thrill of taking the wheel to use them as they were originally with a fee of \$25 per car. This is a good program to promote driving our cars. Now is a good time to get registered for 2020. As a national director, Howard Freedman can certify your mileage.**

**Intended – for motoring. Mileage Car Badges are awarded based on the miles that you drive your full classic. The first badge comes at 1,000 miles, additional badges are awarded as you achieve higher mileage. To register your cars the odometer reading must be verified, and a registration form filled out and mailed to CCCA.**
