

BRAKE CABLES

NEWS FROM THE OREGON REGION OF CCCA

DIRECTOR'S MESSAGE

September is Oregon Region tour month, and 36 of our members enjoyed a terrific tour of the Olympic Peninsula, Victoria, BC, and points north. Hear all about it at our meeting this Thursday, October 4th. We will also hear about John Imlay's new (to them) V-12 Packard Club Sedan.

On Sunday, October 28th, we will be having our annual Halloween Potluck Party at the Freedman's Garage, starting at 4:00 pm. Get your costume(s) ready and bring some of your unneeded treasures for our fund raising auction. Hopefully we can talk Dave Charvet into being our auctioneer. We will have a flyer and signup list with more details out soon.

On Saturday, November 10th, we will be having our annual planning meeting, starting at 10:00 am at the Freedman's Garage. Then, our Annual Dinner Meeting will be on Sunday, November 18th at the Tualatin Country Club. Mark these dates on your calendar.

We need help and suggestions for entertainment at our annual meeting, so if you have an idea, please let me know.

A question has been raised relative to our annual holiday party held in early December. Attendance has been dropping, so your board wants to know if there is sufficient interest to continue with that event. We have a function in late October and two functions in November. The holiday party would be three weeks later in December. We will have an open discussion on the topic at our October meeting followed by vote of our members in attendance. If you are unable to attend the meeting and wish to be heard, please contact me or one of our board members.

We still need volunteers for monthly programs. Remember, this need not be car related, just a topic that would be of interest to our group. Good presentations are vital for the continued success of our club. .

CCCA Passport Driving Program

(REVISED)

This new Driving Program is about the joy of owning a Classic Car and the true thrill of taking the wheel to use them as they were originally attended – for motoring. Mileage Car Badges are awarded based on the miles that you drive your full classic. The first badge comes at 1,000 miles, additional badges are awarded as you achieve higher mileage. To register your cars the odometer reading must be verified, and a registration form filled out and mailed to CCCA with a fee of \$25 per car. This is a good program to promote driving our cars. Now is a good time to get registered for 2017. As a national director, Howard Freedman and certify your mileage.
