March 2023

From your Directors...

Our Valentine's Day tour and Brunch at Multnomah Falls was a big success, thanks to Bob Douglas for leading the tour and Howard Freedman for making the arrangements. Thanks also to Sylvia Potter for decorating the tables and making it all the way up from Eugene with Bill and Ruth. We had a better than expected turn out and the weather was great! The food was sumptuous and as always, plentiful. That caramel French toast is amazing! Howard was only 12 days out of hip surgery and was moving along quite well. We understand his walker has since been "ditched" and he is walking at least one mile per day!

Our next regular meeting is **THIS Thursday, March 2nd** at Ernesto's Italian Restaurant, 8544 S.W. Apple Way, Portland, Oregon 97225. Dinner will start at 6:00 pm followed by our meeting at 7:00 pm.

Our surprise program will be presented by Joe Munsch!

Thanks to Bob Douglas and Howard Freedman, our annual 9-day September tour is all arranged. We will tour to Condon, Oregon (historic Hotel Condon), then to Enterprise and Wallowa Lake (Wallowa Lake Lodge-4 nights) and return through Walla Walla (3 nights). This should be both a fun and relaxing trip. We are limited by rooms and are full up, so if you would like to get on the waiting list, contact Howard Freedman

We have several automobile activities in March. The 67th annual **Portland Roadster Show** will be held at EXPO this year, March 17th through March 19th. There is usually a great display of automobiles from bone stock to wild customs, so there is something appealing to most almost everyone. And...

The annual **Portland Swap Meet** at the EXPO Center is scheduled for March 31st through April 2nd. This swap meet has been held since 1964 and is one of the largest on the west coast. After some hiccups last year, they say traffic control and the bus schedule will be much improved. Light Rail is also a great way to get to and from the event. Vendor spaces are still available if you go to www.portlandswapmeet.com

March 18th Tech Session

If the Swap Meet and Roadster aren't enough, we also have a Tech Session led by Larry Cox and Bob Earls on Saturday, March 18th at 10AM at Howard's garage. These guys always do a great job and there's plenty to learn, so please plan to come by. Lunch will be provided!

Strawberry Social

Our annual Strawberry Social will be on **Sunday, June 11th** and back at Bill Jabs lavender farm on the beautiful Clackamas River. Bring your lunch, enjoy strawberries, short cake and ice cream, and smell the blooming lavender. More information will be forthcoming.

Plans are firming up for our May 20th and 21st overnight tour to the Port Orchard, WA area for our visit to Olson's Gaskets. A block of "water view" rooms have been set up at the Best Western Plus Silverdale Beach Hotel. So, if you are planning on attending, **call the hotel** to reserve your room. A flyer with the hotel info was sent already, so please check your email again if you missed it. There is so much to see and do in the area, for both ladies and gentlemen, so you should really plan to attend. These spring overnight tours have been well attended and are lots of fun. Thanks to tour leaders, Bob Earls and Joe Munsch!

And don't forget... please give Dave Charvet some help with our publications. It's only right that we should pitch in by providing stories about projects you're working on, experiences you've had, or a technical article. Thanks for your anticipated support!
