March 2022

From your Directors...

The Valentine's Day Brunch was especially nice this year, enjoyed by about 25 of our members. The weather was perfect and John Imlay led us on a back roads tour to the Multnomah Falls Lodge. The lodge provided us with our own guarded parking lot. The usual buffet was not available due to Covid, but the plated meal was delicious and the service was great!

A Reminder to all that the Oregon Clipper and the Hood Release cannot be produced without your help. YOU must do your part in supplying Mr. Charvet with content! So, if you've got a tech article or a project you're working on or anything you'd like to see published, please get it to Dave right away!

Our next regular meeting will be this Thursday, March 3rd, at Ernesto's Italian Restaurant, 8544 S.W. Apple Way, Portland, Or 97225. Dinner at 6:00 pm and meeting starts at 7:00 pm.

John Imlay was going to make a presentation on the PDX Airport expansion, but will be out of town, so we would like to have a discussion on your favorite vendors and suppliers, plus a short presentation on LED lights.

We have some date changes for our May events. **The overnight tour to the Eugene area will now be May 21st and 22nd**, with Sylvia and George Potter making all the arrangements. The tour will include an outdoor BBQ on May 21st. **Our annual Ladies Tea will now be held on May 14th**. More information on both events will be forthcoming as plans are firmed up.

March 19th we'll be touring the **Clarey Car Collection** in Cornelius, Oregon. If you have not seen this collection, this tour is a must, as it is one of finest in the region, with well over 200 cars. **Meet** at the Pepper Mill Restaurant (*yes, that Pepper Mill*) at the corner of Kinnaman and Farmington Rd in Aloha at 9:30AM. Depart at 9:45 for a 10:30 arrival in Cornelius, followed by lunch at 12:15 at McMenamin's Grand Lodge in Forest Grove. A flyer will be forthcoming.

April 1-3, Portland Swap Meet at PIR.

The 2022 PIR and Portland Swap Meets are being held this year, after a two-year COVID caused cancellation. The PIR meet is March 31st through April 2nd, and the Portland Swap Meet at EXPO is April 1-3. Parking will be challenging this year, especially if it rains. The Portland Meadows parking is gone, so the only parking is on the PIR property. They are installing some gravel, but beware if we have heavy rain. Taking the light rail is a good alternative. There is also vendor parking on site if you happen to have a booth or stall.
