February 2023

From your Directors...

This year's activities started off on Saturday, January 21st with a movie day at Howard's garage. We had a great turnout and enjoyed two Foghorn Leghorn Looney Tunes, which even 70 years after they were produced, are still funny! We followed that up with Humphry Bogart, Mary Astor, Peter Lorre, and Sidney Greenstreet in the classic, *The Maltese Falcon*. After that, we all enjoyed lunch together with really great sandwiches provided by Beez Holgate Station Café. Thanks Howard for your hospitality and Bob and Bob for setting the whole thing up!

Our next regular meeting is **THIS Thursday, February 2nd** at Ernesto's Italian Restaurant, 8544 S.W. Apple Way, Portland, Oregon 97225. Dinner will start at 6:00 pm followed by our meeting at 7:00 pm.

We did not get a volunteer for our February program, so Bill will give us a power point presentation from the recent U.S. Lavender Grower's Association convention in Portland and the restoration progress on his 1931 Packard 833 convertible sedan.

Please consider volunteering for a monthly presentation. Presentations need not be car related and are often times more interesting if they are not. How about your most recent travel adventure? These presentations add to our meetings and will keep people interested in attending.

Bob Douglas and Howard Freedman continue to firm up plans for our September Tour (September 9-17). We will tour to Condon, Oregon, then to Enterprise and Wallowa Lake (four nights) and return through Walla Walla (three nights). This should be both a fun and relaxing trip. Thank you Bob and Howard! We are limited by rooms available so Contact Howard and send in your \$100 deposit if you plan on going.

One of the best attended activities for our clubs is our annual Valentine's Day Brunch at the Multnomah Falls Lodge. This year it will be on Sunday, February 12th. A flyer was previously sent out on the event. We are starting a little earlier this year with our seating scheduled for 10:00 am, so we will be leaving Lewis and Clark State Park at 9:00 am. Robert Douglas has developed a tour route and will lead us there. Thanks Robert! Like last year, parking is reserved for us, so drive your favorite classic car. If you have not contacted Howard Freedman with your RSVP, please do so immediately. The cost is \$36 per person.

Plans are firming up for our May 20th and 21st overnight tour to the Port Orchard, WA area for our visit to Olson's Gaskets. A block of "water view" rooms have been set up at the Best Western Plus Silverdale Beach Hotel. So, if you are planning on attending, **call the hotel** to reserve your room. A flyer with the hotel info was sent already, so please check your email again if you missed it. There is so much to see and do in the area, for both ladies and gentlemen, so you should really plan to attend. These spring overnight tours have been well attended and are lots of fun. Thanks to tour leaders, Bob Earls and Joe Munsch!
