# From your Directors...

We had a very good turnout for the Lake Oswego Heritage Council Car and Boat Show held on August 27<sup>th</sup>. Our classic cars really showed well and even trophy'd! In addition to some other (non-member) classics, on site were Larry Cox (1940 Packard), Roy Asbahr (1954 Cadillac), Paul Duden (1931 Lincoln), Dave Walmer (1928 Pierce Arrow), Ronald E. Wilson (1934 Packard), Chris Cataldo (1941 Packard), John Imlay (1947 Packard) and Bill Jabs, (1930 Packard). While this was not a "judged" event, event sponsors picked out their favorite cars. John Imlay and Bill Jabs were both selected to receive trophies. Our own Dave Charvet was the Master of Ceremonies and as usual, did a masterful job.

Yes, it's upside down!

Our next regular meeting is **THIS Thursday, September 7th** at Ernesto's Italian Restaurant, 8544 S.W. Apple Way, Portland, Oregon 97225. Dinner will start at 6:00 pm followed by our meeting at 7:00 pm.

Our program will be the second half of a video - *The Greatest Auto Race on Earth, New York to Paris 1908*.

And.... We have what sounds like a very interesting program for our October 5<sup>th</sup> meeting. Matt Hackney will be doing a presentation about his involvement with hot air balloons.

## 2023 Fall Tour

Ladies and Gentlemen—start your engines! Our 9-day September tour to Wallowa Lake and Walla Walla with overnight stops at Condon and The Dalles, is just around the corner! The tour starts this Saturday, September 9<sup>th</sup> and ends on Sunday, September 17<sup>th</sup>. We have lots of activities planned in both locations. In Joseph, we will do a two-hour rail ride on some sort of peddle contraption. Can't wait to see Howard peddling away on that thing! Howard, be sure to bring a grease gun for that new hip!

In Walla Walla, Brad Ipsen has arranged for an all-day tour of the Hanford Nuclear Reservation, where one of the WWII nuclear bombs was designed and built. No doubt you'll be glowing with excitement after your visit!
