February 2024

From your Directors...

Our January meeting presentation given by Matt & Karla Hackney and guest Steve Holser about hot air ballooning was really interesting! Who knew there was so much to it!? Thanks Matt and Steve for a great presentation!

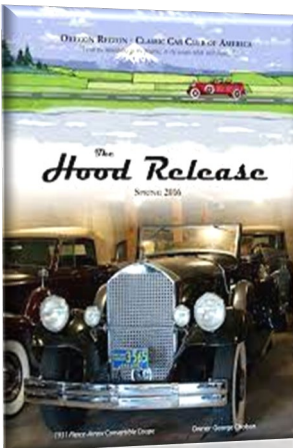

Boy, did February sneak up on us! Our next regular meeting is **THIS Thursday, February 1st** at Ernesto's Italian Restaurant, 8544 S.W. Apple Way, Portland, Oregon 97225. Dinner will start at 6:00 pm followed by our meeting at 7:00 pm.

Many of you have hobbies and interests outside of automobiles. Please consider making a presentation at one of our monthly meetings.

And don't forget to support your local publications – the Hood Release and Oregon Clipper that is! Our ever-diligent editor, Mr. Charvet, can always use content!

Tamera Krajewski is working on an Amazon Fulfillment Center video for our program which we hope will be available. Bob Earls and Bill Jabs, will also be showing different samples of DIY chrome or chrome-like finishes. There are no chrome shops left in Oregon and those remaining out of the area have long wait times and are expensive. There are other alternatives if you are not doing a show car.

Event Details and Club Info

We are looking forward to a great Packard Club/Classic Car Club year, starting with our **Valentine's Day Brunch, February 11th**, at Multnomah Falls Lodge. The area has had some flooding and the Old Columbia River Highway is currently closed, but we think all will be okay by February 11th. Let's pray for good weather! Contact Howard Freedman by February 5th if you wish to attend.

The cost is \$40 per person. The lodge has again agreed to give us their employee parking lot, which is a huge benefit. We will meet at Lewis and Clark State Park (our regular meeting place) at 9:45 am, then depart for Multnomah Falls at 10:00 am. Robert Douglas will be leading the tour, and he is working on a plan to drop people off at the front door of the lodge. Mr. Douglas, THANK YOU as always for stepping up to lead!!

Upcoming events include a Tech Session at Howard's garage on March 16th led by that ever-engaging and informative duo, Bob Earls and Larry Cox.

And... an overnight tour to the Oregon Coast on April 20th and 21st.

You can see all of our 2024 activities at packardsoforegon.net & oregonccca.com

And one more thing....if you would like pictures of your car(s) posted on our websites, send them to Joe Munsch - joemunsch@silvsoft.com

Alas, our movie day, planned for January 13th was rescheduled for January 20th due to weather. I'm sure you recall the sub-freezing temperatures and the snow and ice! Well, it appears that took the wind out of everyone's sails because it was cancelled on for the 20th as well. Thank you to Bob Earls for planning and Howard for hosting our non-event. Maybe next year. Apologies also to Joe Munsch for John's failure to send a cancellation notice. Joe drive all the way in from North Plains only to find out movie day had been cancelled. Sorry Joe.
