“Gary Martin” Tour

Thanks to Gary and Jackie Martin we had a very interesting visit on Saturday, April 25th. Wow, who would have thought pattern making was so fascinating! Gary is really a true craftsman! We followed with lunch at the Warren Country Inn which was quite good with lightening fast service. Thanks Gary and Jackie!!

We have found a new location that serves food and is used by other clubs. Our next meeting is this Thursday, **April 2nd**, at **the High Rocks Restaurant and Lounge- 915 E Arlington St., Gladstone, OR 97027**. We will meet at 6PM as usual for dinner and to chat, but **the meeting will commence at 6:30PM**. Give yourself a little extra time to get there if it's your first time. It is a full-service restaurant with a banquet room for our meeting!

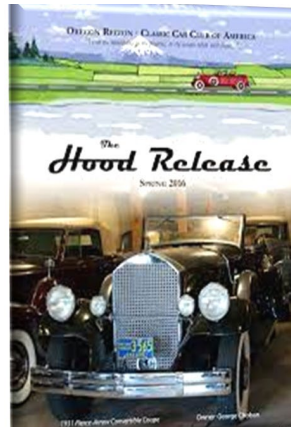

As always, please send any ideas, pictures, project info, etc. to our publications editor, Dave Charvet, for the Hood Release and Oregon Clipper!!

If you saw the email from last week, please let Bill Jabs know if you are interested in a new optima battery. Prices are:

6 Volt - \$200 with core exchange
12 Bolt - \$250 with core exchange

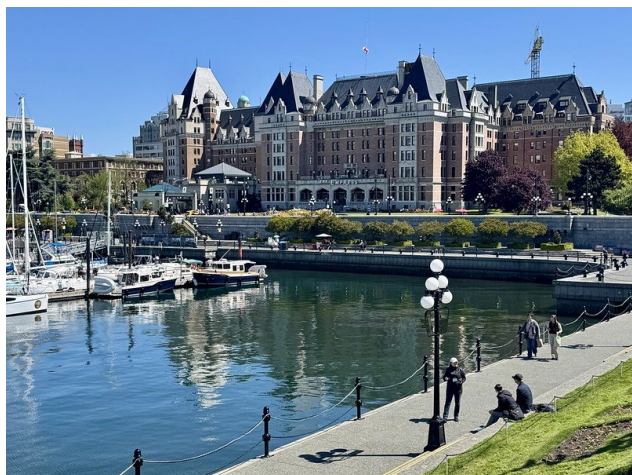

Those prices are unbeatable on the regular market!
