Strawberry Social

Our annual Strawberry Social is coming up on **Saturday, June 20th**. See the flyer for details. Sign up soon and bring the whole family!

If you saw the email, please let Bill Jabs know if you are interested in a new Optima battery. Prices are:

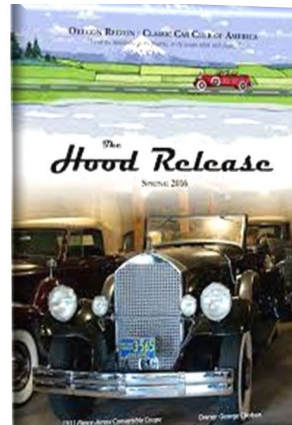

6 Volt - \$200 with core exchange
12 Bolt - \$250 with core exchange

Those prices are unbeatable on the regular market! **YOU CAN PICK UP YOUR BATTERY AT THE STRAWBERRY SOCIAL.**

We have found a new location that serves food and is used by other clubs. Our next meeting is this Thursday, **June 4th**, at **the High Rocks Restaurant and Lounge- 915 E Arlington St., Gladstone, OR 97027**. We will meet at 6PM as usual for dinner and to chat, but **the meeting will commence at 6:30PM**. Give yourself a little extra time to get there if it's your first time. It is a full-service restaurant with a banquet room for our meeting!

As always, please send any ideas, pictures, project info, etc. to our publications editor, Dave Charvet, for the Hood Release and Oregon Clipper!!

2026 Fall Tour

Our fall “Howie” tour is planned and hopefully, you have seen the flyer sent out earlier. This year, we plan to experience the Olympic Peninsula and National Forest including Lake Quinault, Lake Crescent, and a couple of days in Victoria BC before heading back south. This year’s tour is planned for seven days instead of the usual nine days. Get your \$100 deposit in if you’d like to attend!!

The Burnside Bridge Celebration was a great success! We had six cars on site and the weather was just right – not too hot and not too cool. Thanks to Dennis Armstrong, Dennis Gilman, Tom Taylor, Thomas Rawdon, Ronald Wilson and John Imlay for bringing their cars to this event. It was a long day, but it was great having all the guys hang out as well as learning about the bridge’s history.
