Strawberry Social

Our annual Strawberry Social Saturday, June 20th was a great success. We had a ton of people turn out! Eric Newland was there with a drone and took a number of pictures from above. Thank you to Bill Jabs for his hospitality and Bob Douglas for getting the ice cream and dishing it out!

Our next meeting is this Thursday, **August 6th**, at **the High Rocks Restaurant and Lounge- 915 E Arlington St., Gladstone, OR 97027**. We will meet at 6PM as usual for dinner and to chat, but **the meeting will commence at 6:30PM**. Give yourself a little extra time to get there if it's your first time. It is a full-service restaurant with a banquet room for our meeting!

A topic we'd like to focus on at this week's meeting, is how we improve our meetings and increase attendance. Our meetings this year have had very low attendance and virtually no programs. That needs to change and we need your input on how we can accomplish that. So, we hope you will make the effort to be at this week's meeting!

2029

Packard Club National Meet

As many of you may know, the National Packard Meet, at this point, is planned for right here in the Portland area for 2029. We have already had a preliminary discussion with the national and the ball is starting to roll. We will most likely use a hotel outside of Portland, so we have easy access to a number of locations without having to deal with too much Portland traffic. Yes, it's still three years away, but there's a tremendous amount of work that goes into putting a national meet together, so we'll be looking for volunteers. The west coast locations usually attract a big crowd. In 2023, we had 106 Packards for the meet in Northern California. Stay Tuned!!
