PROVIDENCE PARK 100 YEAR CELEBRATION

PORTLAND TIMBERS GAME
OCTOBER 17TH, 4:30 TO 7:30 PM

We have been contacted by the Portland Timbers organization asking us to display 3-4 cars at the 100-year celebration of Providence Park. Cars from 1926 to 1932 would be perfect! Contact Bill Jabs at (971) 235-3804 if you would like to participate. He'll be bringing his 1930 Packard Roadster. They are aware we will cancel if it rains.

Our next meeting is this Thursday, **October 1st**, at **the Oswego Grill – Beaverton 3211 Cedar Hills Blvd, Beaverton 97005**. We will meet at 6PM as usual for dinner and to chat, but **the meeting will commence at 6:30PM**. Yes, we are trying yet another location. This place has a nice, quiet meeting room and good food along with AV equipment if we do a presentation. So please try to make it to this meeting if you can so we can get your input on the new location.

2026 Fall Tour

Our fall “Howie” tour was really a blast with lovely scenery and some fun Happy Hour get togethers! If you’ve never been to Victoria BC, we highly recommend it! Unfortunately, a few folks got sick near the end of the tour and had to go home early, but all have thankfully recovered! Also, a super, extra special thanks to Bob Douglas who really did the majority of the work in not only planning the tour, but also leading the way and herding the cats throughout! He also did 90% of the worrying! THANK YOU BOB!!!

October Activity

October 17th at 10AM

Our October event will be a visit to Paul and Sharon Lawson’s hangar over at Pearson Field in Vancouver. Weather permitting, we will either dine somewhere nearby for lunch or have a picnic at Fort Vancouver. This is a worthwhile visit since the Lawson’s not only have some very interesting stuff, but Paul always has great stories to go with each item! We will have a pre-arranged meeting spot, then we’ll drive over to the Couv together. Details to follow!

HOLIDAY DINNER

Our annual Holiday Dinner meeting has once again been booked at the Tualatin Country Club for Sunday, December 6th. Details will follow, but please mark that date on your calendars!

Event Details and Club Info

Just visit the appropriate website if you misplaced a publication, deleted the Brake Cables or a reminder blast. Its all there!

Also, if you wish to have a photo of your cars(s) posted on our websites, please send photos to Joe Munsch for both clubs. **Thanks Joe for keeping our websites updated!**

2029

Packard Club National Meet

As many of you may know, the National Packard Meet, at this point, is planned for right here in the Portland area for 2029. We have already had a preliminary discussion with the national and the ball is starting to roll. We will most likely use a hotel outside of Portland, so we have easy access to a number of locations without having to deal with too much Portland traffic. Yes, it's still three years away, but there's a tremendous amount of work that goes into putting a national meet together, so we'll be looking for volunteers. The west coast locations usually attract a big crowd. In 2023, we had 106 Packards for the meet in Northern California. Stay Tuned!!
